Re: Water Right No. G2-29958

Dear Mr. Howard:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- Due diligence is shown in development of this project. The Bronson Country Beach Club water system currently serves 92 residential connections and showing slow but steady growth.
- Additional time is needed for full build-out of this community due to current economic conditions and local development patterns.

The new deadline to submit your *Proof of Appropriation of Water* is **December 1, 2018**.

Permit G2-29958 requires monthly measurement of withdrawals from all sources including the source covered under Water Right Claim 117944 to which this right is non-additive. You must complete and submit the enclosed *Meter Form 1* for each source as soon as possible. Monthly and annual water use data totals must be submitted by December 1, 2018 when you file *Proof of Appropriation* or an extension request.
